

November 2022

Updates and Events

Dear Members,

A lot of our members have inquired about the progress of our new building plans. After being delayed 6 months due to a village code issue and with that now behind us, we are excited to currently be in the middle of the required posting for our site plan approval. The architectural plans are also in the final stage, and we hope to submit them for building permits soon.

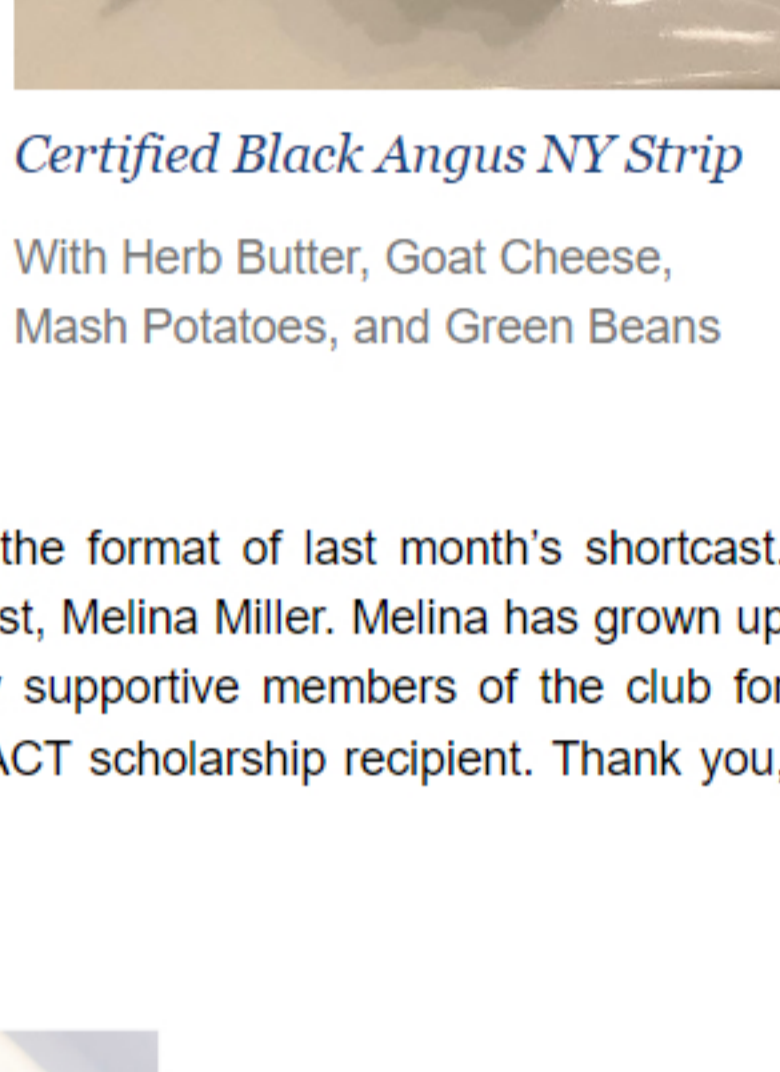

Islamorada, Village of Island's Notice of Intent To Issue Site Plan Approval placed in the Islamorada Fishing Club's parking lot.

We are thrilled to roll out a new menu this month with a lot of great additions for this season. So come by and try some of your future favorites.

Seafood Pasta

With Shrimp, Mussels, Clams, Fresh Fish, Calamari, & Linguine tossed with a light tomato sauce

Certified Black Angus NY Strip

With Herb Butter, Goat Cheese, Mash Potatoes, and Green Beans

I received many positive comments on the format of last month's shortcast. This is due to our new Marketing Strategist, Melina Miller. Melina has grown up in the club as her family has been very supportive members of the club for many years. Melina was also a 2013 IFACT scholarship recipient. Thank you, Melina, for your hard work.

I would like to take this time to remind everyone that we strongly recommend that all members make their dining room reservations 24 to 48 hours in advance, and to notify the club promptly of any cancellations or changes to your reservation.

Reservations will be gratefully accepted at the last minute, subject to availability.

We also encourage members to reserve their cut for our "Prime Rib Night" every Saturday.

Please be sure we have updated credit card information as well as telephone numbers, e-mail, and physical addresses.

Sincerely,

Vinnie
