

April 2023

Updates and Events

Dear Members,

Thank you to all our members who came to our annual meeting. It was a great pleasure to see all our members who attended the meeting and the member appreciation dinner afterward.

Thank you for all your comments over the past year on the performance of the staff.

Every month I receive questions about member billing. We bill your credit card twice a month on the 1st of the month, which covers all charges from the 15th of the prior month to the end of the prior month, plus dues & any unspent food & beverage minimums due. The 2nd billing is on the 15th of every month, which covers all charges from the 1st to the 15th of the current month. If you have any questions regarding your statements and or the billing process, don't hesitate to call me, I hope this explanation helps.

Spring is in the air & Tarpon abounds. We are still experiencing a great season and looking forward to a very busy April & May.

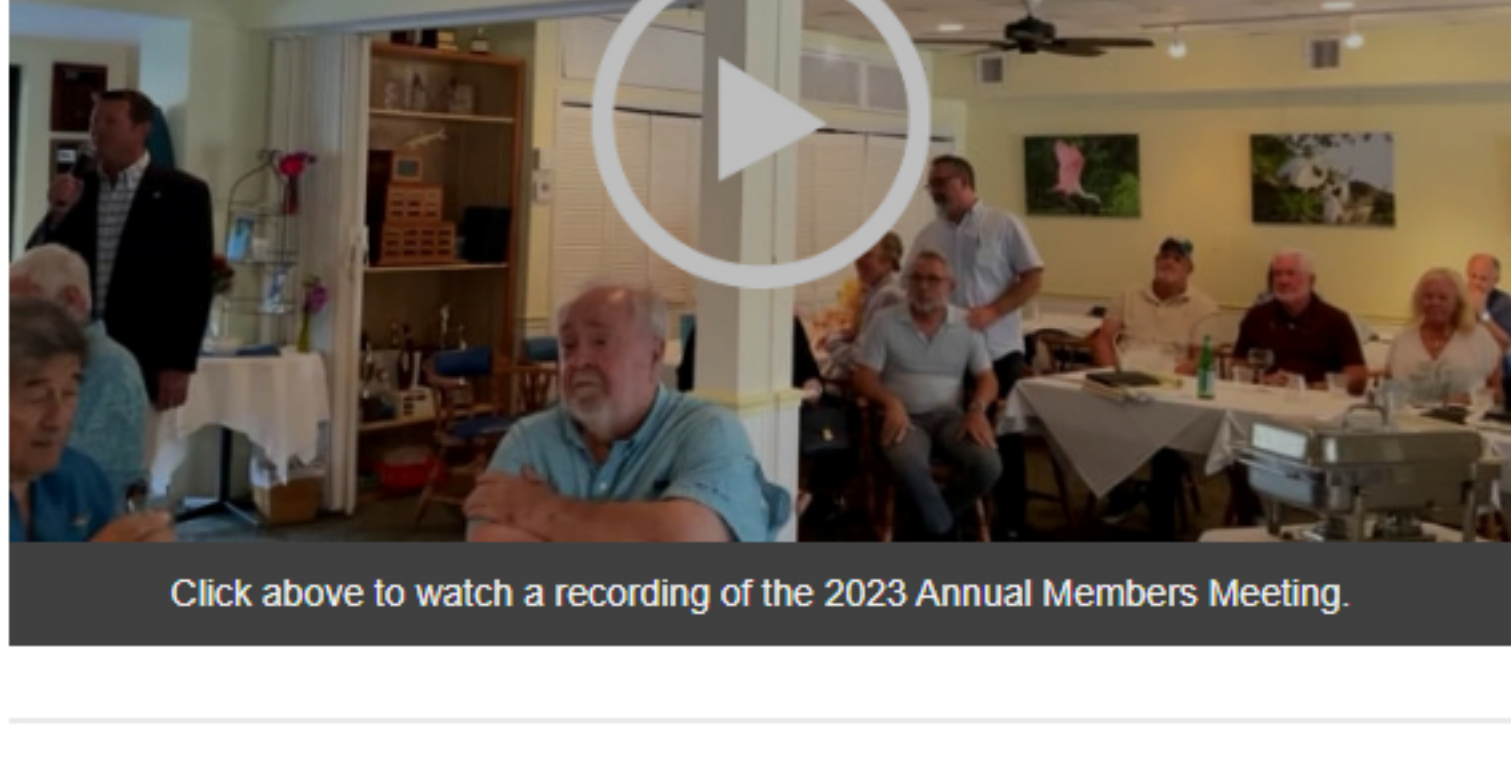

Please make any dinner reservations 24 to 48 hours in advance.

Please be considerate to your fellow members & make sure to have your parking/name card on your dashboard when you come to the club and park three deep, pulling all the way forward. Also, please utilize our contiguous parking lot less than 500 feet north of the club.
