Dear Members,

Exciting news awaits as you make your way back to Islamorada. We have completed the move to our temporary location and I am very proud of the way the new facility turned out in the short 6 weeks it took to go from one operation to another.

Be sure to come and see our new home for yourself and try our newest menu items Chef Dave has created alongside all the classic dishes.

A tentative date has been set (Thursday November 9th) for the demolition of our old facilities and we encourage you to take the opportunity to drive by and take one last photo.

Dear Members,

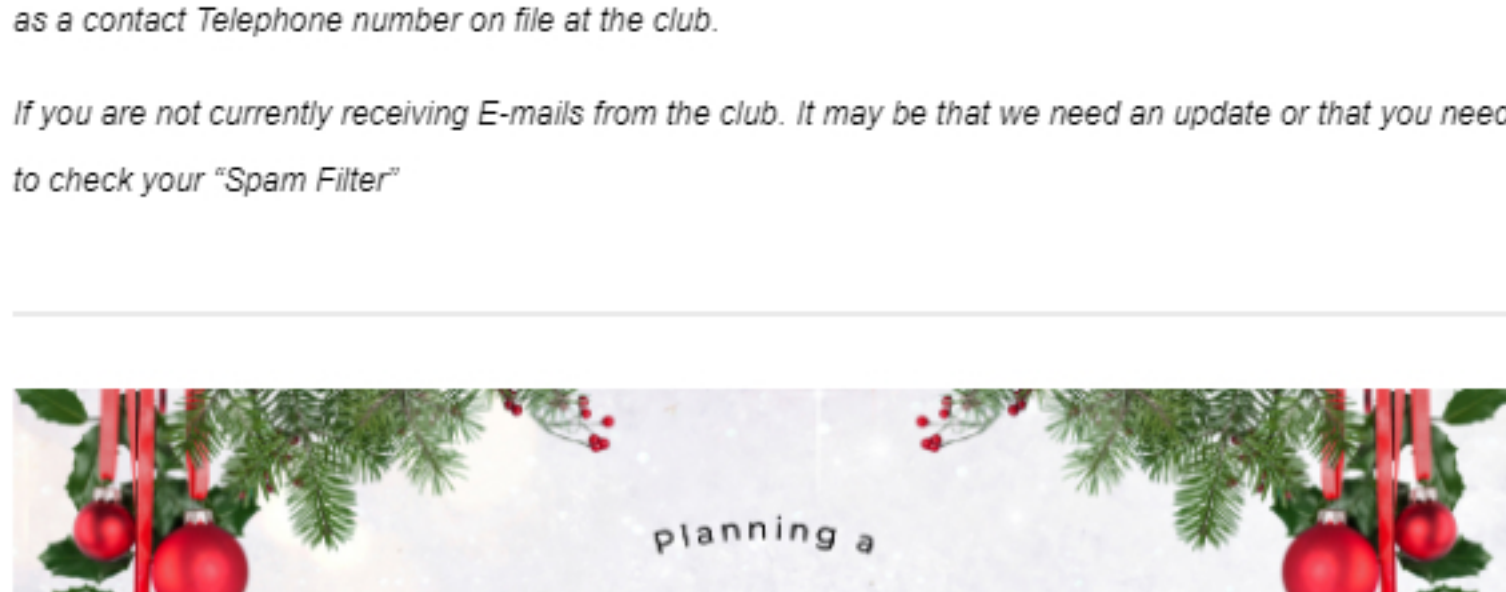

I can't begin to tell you how excited I am to be able to invite you to our new location while we are under construction. As I write this, we are poised to open on Halloween. A great deal of work has gone into getting this location ready for us to enjoy. Vinnie and his team have put forth a tremendous effort to transform the space into our temporary IFC home. I know you all will enjoy the outdoor space, large bar, and intimate indoor space along with some new menu items that are sure to impress. On behalf of the Board of Directors, Vinnie and the team, we welcome you back!

With regards to the construction project, the permits for demolition of the IFC building have been picked up. We will also be picking up our building permits and should begin construction in November. We have pre-ordered materials in anticipation of starting. So if you want one last photo with the old building, now is the time.

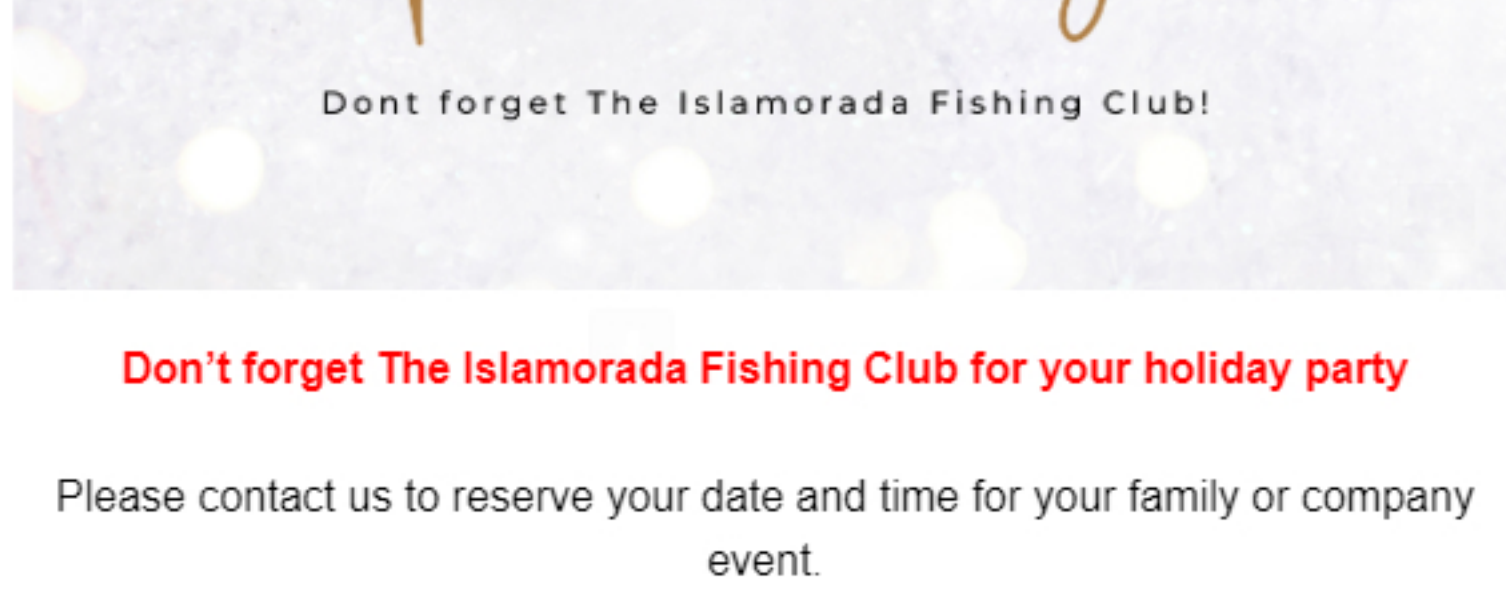

Being that we were closed a couple of extra weeks due to licensing issues at our temporary location, it is important that we get back to utilizing our club. Our team is excited and ready to welcome us all back. We will be discussing some additional opportunities for utilizing the club which should further engage membership and bring additional opportunities to enjoy your membership.

I look forward to seeing you all soon!

Sincerely,
Joe Roth
IFC President
On behalf of the Board of Directors
